SUBJECT: Indian Creek Volunteer Cleanup & Saturday, July 20, 2013

The purpose of this LTC is to inform you that the City of Miami Beach, Community Resource and Outreach Team, is working to assist the Environmental Coalition of Miami Beach (ECOMB) in organizing a cleanup along the east banks of Indian Creek between 26th and 30th Streets. The event is scheduled for Saturday, July 20, 2013, 8:30 a.m. to 11:00 a.m. This will be the third cleanup along the banks of the creek this year. The prior events were held on January 26th and May 17th. ECOMB will also reach out to the private property owners who are responsible for property upkeep.

Volunteers will meet at 28th and Indian Creek at 8:30 a.m. and will focus primarily on the removal and proper disposal of litter. It is anticipated that over 50 volunteers will participate in this event. The Outreach Team is coordinating with Parks and Recreation Greenspace Division, Public Works Sanitation, Streets and Environmental Divisions, Police, and Parking Departments to provide the necessary materials and services for this project. Volunteers may register for this event at ecomb@ecomb.org.

Should you have any additional questions, please contact Lynn W. Bernstein, Community Outreach Coordinator, City Manager's Office, 305-673-7010.
